ESCROW ACCOUNT STATEMENT			
Analysis Date:		11/22/2012	
Loan Number:			
Escrow Account Number:			
Current Payment		New Payment Effective 1/1/2013	
Principal and Interest	\$ 993.08	Principal and Interest*	\$ 993.08
Escrow	\$ 405.41	Escrow	\$ 412.52
Total Current Payment	\$1,398.49	Total NEW Payment*	\$1,405.60
* The principal and interest payments reflect the contractual amount due under the note, which can be modified with a mutually agreed upon payment plan. In addition, the new principal and interest payment and the total new payment may not reflect any changes due to interest rate adjustments. You will receive a separate notice for interest rate adjustments			

NEW MORTGAGE PAYMENT NOTICE AND ESCROW ACCOUNT DISCLOSURE STATEMENT

Seterus, Inc. is the servicer of the above referenced loan. In accordance with federal guidelines, your escrow account is reviewed at least once a year to determine if sufficient funds are available to pay your taxes and/or insurance. Your escrow payment will be a minimum of the total anticipated disbursements divided by the number of scheduled installments due in the next 12 months. This payment will increase if you have a post-petition shortage or deficiency. This statement provides a history of actual escrow account activity and a projection of the escrow account activity for the next 12 months.

Our records indicate a petition for Bankruptcy was filed on 2/23/2011. Pursuant to that petition, we have filed a proof of claim with the Bankruptcy court. Any deficiency and/or shortage listed under the Proof of Claim section will be excluded from your future scheduled escrow payment as these amounts will be added to your pre-petition arrearage and collected in your bankruptcy plan payment.

Shortage					
*Escrow Balance adjusted by proof of claim amounts		The starting balance is -\$426.70. Your required escrow balance according to this analysis should be \$784.59. This means you have a deficiency of \$426.70. This post-petition deficiency will be collected over the next 60 installments.			
		The projected beginning balance of your escrow account is -\$426.70. Your required beginning balance according to this analysis should be \$784.59. This means you have a shortage of \$784.59. An escrow shortage occurs when there is a positive balance in the escrow account but less than the projected balance, which covers any payments made from the escrow account over the next 12 months. This post-petition shortage will be collected over the next 60 installments.			
		(Continued)			
The Real Estate Settlement Procedures Act (RESPA) allows us to collect and maintain up to 1/6 of your total disbursements in your escrow account at all times, unless prohibited by state law. This cushion covers any potential increases in your tax and/or insurance disbursements. Cushion selected by servicer: \$784.65					

ESCROW ACCOUNT HISTORY

This is a statement of actual activity in your escrow account from October 2010 to December 2012. This history compares the projections from your last escrow analysis or initial disclosure and the actual activity in your account. If a prior escrow analysis was not conducted during this historical period, the project escrow balance will be zero.

Total	\$.00	\$15,717.60	\$.00	\$10,236.52			

An asterisk (*) indicates a difference in a previous estimate either in the date or the amount.

NOTE – This analysis was prepared in advance of the escrow payment change date. Therefore, the projected beginning balance for the next 12 months estimates that you have paid all the required scheduled installments as shown in your actual account history and that all scheduled disbursements have been made from your escrow account.
